

# **Vietnam International Hardware & Manual Electric Tools Exhibition (HMET 2025)**

HMET EXPO VIETNAM is held annually in May in the capital city of Hanoi. Targeting the industrial cluster markets in northern Vietnam, the fair combines multiple demand-supply networking formats such as specialized exhibitions, buyer-specific matchmaking, invitation-only purchasing sessions, local factory visits, and professional market surveys. At the same time, the VINAMAC 2025 International Exhibition on Industry, Electromechanics and Welding & Cutting, leveraging its accumulated buyer base in Vietnam's electromechanical, welding & cutting, and hardware sectors, attracts thousands of professional buyers to the exhibition, enabling participating enterprises to achieve maximum effectiveness.

Venue: Vietnam-Soviet Friendship Cultural Palace

(HAWEL); Vietnam Steel Association (VSA)

**Event dates:** 14–16 May 2025 **Exhibition area:** 10,000 square meters

Supporters: Ministry of Industry and Trade of Vietnam; Ministry of Science and Technology; Vietnam Trade Promotion Agency; Department of Industry and Trade of Da Nang City; Department of Industry and Trade of Bac Giang Province; Department of Industry and Trade of Bac Ninh Province; and Trade of Quang Ninh Province; Department of Industry and Trade of Bac Ninh Province; and related units Organizers: Department of Industry and Trade of Ho Chi Minh City; Vietnam Association of Mechanical Enterprises (VAMI); Vietnam Automation Association (VAA); Ho Chi Minh City Automation Association (HauA); Ho Chi Minh City Mechanical–Electrical Enterprise Association (HAMEE); Vietnam Welding Science and Technology Association (VWS); Ho Chi Minh City Welding Engineering Association

# Display Category

#### Hardware

Fire- and explosion-resistant tools, automotive maintenance tools, toolboxes and tool bags, measuring instruments and calibration tools; hand tools and accessories, electric tools and electric tool accessories; pneumatic tools and components of pneumatic tools.

### Mechanical and electrical machinery and equipment

Pumps, valves, air compressors, electric motors, generators, bearings, welding and equipment, small machinery; cutting machining and electromechanical inspection equipment, and safety protective devices.

### Set of bolts and screws

Types of bolts, nuts, and fastening accessories; machinery for manufacturing fastening accessories, surface treatment products; various iron meshes, welded wire mesh, fence mesh, gabion mesh (rock mesh), safety netting, conveyor mesh, steel nails, upholstery nails, wire staples, corrugated roofing nails.

### Gardening and cultivation tools

()4

Equipment for the park and garden sector, urban planting equipment for parks, garden maintenance and pruning tools, garden sprinkler irrigation equipment.

### **Occupational Safety and Personal Protective Equipment**

05

Personal protective equipment, safes (cabinets), locks (keys), production technologies and equipment, lock-opening (repair) tools together with consumables and related devices.

# Grinding wheels, abrasives, and construction hardware

Grinding points, abrasives, cutting tools, cutting instruments, diamond products, etc. Pipe fittings and ductile iron products, decorative construction hardware and related accessories
